5 INSURANCE

5.1. Insurance Coverage for the Organiser

5.1.1. Organiser's liability insurance

The Organiser has concluded an insurance contract with IF P&C Insurance AS Latvia, contract No 331100641953, with Organiser's liability insurance covering damage caused to a third party during the competition up to 1423000.00 EUR. The insurance period is from 0:00, August 27 until 23:59, August 29, 2015.

5.1.2. Damage caused to the third party

A part of the insurance contract No. 331100641953 concluded with IF P&C Insurance AS Latvia is coverage for damages caused to a third party. However, damages caused by drivers among themselves are not covered by this contract.

5.2. International Green Card

All crews at Administrative Check have to hand in a valid motor third party liability insurance policy or International Green Card for their car. Without these cards, the crew won't be permitted to start.

5.3. Insurance Coverage for competitors and crews

All the drivers and co-drivers are obliged to arrange their own life accident insurance. The proof should be documented on request at administrative check.

By the fact of signing the entry form, the competitors and/or drivers relinquish any claims to compensations of any kind which might result due to incidents. The relinquishment is applied to FIA, ASN, and the Organiser, officials and other competitors and/or drivers.

5.4. Damage Reporting

The crews are obliged to notify the Organiser about any damage caused on the track by their car by the end of event the latest. Violation of this duty stands for summoning the competitor and involved crew to a disciplinary committee.

5.5. Insurance Coverage Exclusions

Auxiliary vehicles, cars dedicated to reconnaissance rides and vehicles with special labels issued by the Organiser, as well as vehicles with the markings of Organiser's officials, are not covered by the provided rally insurance (with the exception of insured Organiser's cars) and those are always going on their own responsibility.

5.6. Damage Coverage Exclusion

The Organiser refuses from any liability for damage that has been caused by a participant due to unfair action – either regarding rally regulations and these Supplementary Regulations or the State Law. In case of a road traffic accident neither a service car, or a reconnaissance car and an official's car with rally's markings are considered as crews of the competition. In these cases only a car owner third-person's liability insurance policies are valid.

6 ADVERTISING AND IDENTIFICATION

6.1. Advertising

Starting numbers, the rally plate and the Organiser's advertising should be affixed on given spots on the rally car prior to the pre-start scrutineering according to the Appendix 4 of these Supplementary Regulations.

6.2. Loss or removal of advertising

A crew will be penalized with prohibition to start in the rally if article 6.1 of these Supplementary Regulations will have been violated. If there is ascertained at any point during the rally that an

advertising plate or any other type of advertisement supplied by the Organiser is missing from a car then the crew shall be penalised with a fine of 100 EUR for each missing advertisement or if the advertisement is modified or not placed according to the Appendix 4 of the SR. A participant is allowed to place any advertising in accordance with the regulations. The participant's identification on the car must be placed according to regulations.

6.3. Competition numbers and rally plates

Competition numbers and rally plates supplied by the Organiser must appear on both front doors of the car during the entire rally. If it is ascertained at any time during the rally that:

- a competition number or one rally plate is missing, this will be penalised by 100 EUR;
- both competition numbers or both rally plates are missing, this will be reported to the Stewards.

7 RIMS AND TYRES

7.1. Authorized rim sizes

Group N4 (App.J- 254);

Group S2000-Rallye 2L normally aspirated and S2000-Rallye 1.6L Turbo (App. J - article 254A);

7.2.1. Eligible tyres

The number of tyres for the competition is not limited. . In city stage SSS12 only gravel tyres allowed. In the Rally "Kurzeme 2015" and Latvian Rally Championship all tyres must be freely commercially available and comply with Latvian Rally General Regulations.

For rally-sprint – it is allowed to use tires in accordance with article 5.2. of Latvian open rally-sprint championship 2015 regulations.

Any infringement to this rule will be reported to the Stewards.

7.3. Tyres specified for Recce

During recce, it is allowed to use tires in conformity with Latvian Road traffic rules with summer tread. Sports tyres, closed-course, racing tyres, winter tread tyres, and M + S tyres are prohibited. Any violations of this paragraph will be reported to the Stewards, and will result in maximum penalty - up to exclusion from the competition.

7.4. Tyre Service

Full information on tyre service will be announced in Rally Guide 2.

8 FUEL

8.1. Fuel restrictions

It is allowed to the competitors to use fuel complying with FIA or LAF technical regulations. At the pre-start scrutineering, all participants of the rally classification must submit filled and signed fuel declaration form, confirming that fuel used by corresponding crew complies with FIA or LAF rules.

The declaration form will be posted on the rally webpage: www.autorally.lv

8.2. Refuelling

There will be refuelling zones at the exits of the service park and along the route. Refuelling zones will be designated by the Organiser in the Road Book.

8.3. Refuelling procedure

During refuelling liquid proof mat has to be used. Penalty for non-compliance is 50 EUR. Only crew members and support personnel are responsible for compliance with fire safety regulations during the refuelling.

9 RECONNAISSANCE

9.1. Reconnaissance registration

When receiving the reconnaissance documents, entrants must provide the organiser with the information about details of the reconnaissance and service cars, crew's mobile phone numbers and accommodation information. Organiser must be duly informed about any change of the car. If crew must change the car for any reason during the reconnaissance, detailed information about the new car must be provided to the organiser.

9.1.1. Rally-Safety-Tracking-System

The Organiser will provide a rally-safety-tracking-system, which has to be used also during reconnaissance in the reconnaissance car. If the rally-safety-tracking-system will not be used, it is a breach of the reconnaissance regulations. The progress of the reconnaissance will be monitored via GPS system, by the Latvian Police together with other rally officials. Maximum speed limit will be provided in the rally Road book. Evaluation of the GPS data is within the competence of Clerk of the Course. If it will be observed that the reconnaissance vehicle is not equipped with working tracking system, the crew will be penalized according to Stewards decision.

9.1.2. Safety deposit

Each crew must pay deposit of 200 EUR upon receipt of GPS safety equipment. Deposit will be refunded after proper return of the safety equipment.

12.3.2. "SOS" and "OK" signalling principles

By pressing a "SOS" button a crew reports an accident and requests an immediate assistance. In this case, it is obliged to inform the Rally HQ by calling the telephone number indicated on the label.

In case of an accident or technical problems during SS, by pressing an "OK" button a crew informs of the stop for more than 30 seconds and that immediate assistance is not required (even if a crew is trying to continue the rally).

Attention! In case of stopping at SS, the device sends a "SOS" signal and the crew within 30 seconds must press "OK" button to remove the "SOS" signal sent by the system. The crew's mobile phone must be switched on (or turned on within 60 seconds) so the rally security and monitoring centre can reach the crew.

"SOS" and "OK" signal transmission violations will be penalized by Steward's decision.

12.4. Marking and sealing

Marking of gearboxes, speed reduction devices, turbochargers and engine's blocks will be done during the scrutineering of race cars.

12.5. Mud Flaps

Transversal mud flaps are mandatory and must comply with Appendix J Article 252.7.7.

12.6. Windows

The use of silvered or tinted films is authorized on rear side windows and rear window only. Front side window films must be transparent and clear (in accordance with Appendix J Article 253.11).

12.7. Safety equipment of crews

Crew safety equipment has to comply with FIA regulations.

12.8. National Regulations

Competing vehicles must be equipped with A3 size SOS/OK sign, first aid kit and two reflective triangles.

12.8.1. Outside noise level of cars

The maximum noise level permitted is 103 dBA. Cars not complying with this rule will not be allowed to start. The noise will be measured with a sonometer set to "A" and "SLOW", placed at an angle of 45 degrees to and a distance of 50 cm from the exhaust outlet, with the cars engine running at 3 500 rpm.

12.8.2. Car lighting

On road sections (between the special stages), it is possible to use car lighting only through the originally fitted auxiliary headlamps with EHK ("E") homologation. Headlamps without homologation must not be used during road sections. Complying with this provision will be
